*Note: If a foreign air carrier has a code sharing agreement with a U.S. carrier, the ticket must identify the U.S. airlines’ designator code and flight number to be in compliance with the Fly America Act.

B. The travel is not booked on a U.S. Carrier Airline because there are NO U.S. Carriers available, including no proper code share carriers available. □ Y □ N
   a. If No, please proceed to section C. If Yes, please provide the following documentation:
      i. Include copies of a general travel search showing no available U.S. Carrier options, or
      ii. Attach an email or similar documentation showing that a Travel Agent has confirmed there are no U.S. Carriers available.

C. Indicate the applicable Fly America Act exception(s) for the federally funded travel (circle the numbers that are applicable):

1. Open Skies Agreement - Travel segment takes place on a carrier based in a member country (European Union (EU), Switzerland, Australia, or Japan) or between two points in a member country.
   a. Airline Carrier Name and Country of Origin (must be a country in the EU, Switzerland, Australia, or Japan):

   b. European Union Travel: traveler need not worry about City Pairs. (note, travel in Switzerland requires the City Pair test)
      • Additionally, traveler may fly an EU airline for flights outside of the EU so long as it’s a flight that originates, arrives, or stops in the EU.
         1. However, the EU airline must be authorized to serve the route under the Open Skies Agreement. If this is applicable, please contact your Post-Award SPA.
   c. Non-EU travel but still an Open Skies country: each segment of travel must be a Non-GSA City Pair.
      • Non-GSA City Pair(s): ___________________________ and ___________________________
      • Include a copy of the GSA website showing the non-city pair (http://apps.fas.gsa.gov/citypairs/search/)
      • If multiple segments of Non-GSA City Pairs, attach additional page.
   d. Confirm the sponsored project is NOT funded by the Department of Defense.
