

## SAMPLE FOUR-YEAR COURSE PLAN FOR MATH MAJOR

### NOTES:

- All 300-400 level courses must be taken for a letter grade to satisfy the major requirements.
- Students should enroll in a minimum of 15 credits per term in order to graduate in four years.

Sample schedule for the Applied, Pure, and Design-Your-Own tracks:

Year 1:	Fall	Winter	Spring
	MATH251	MATH252	MATH253
	WR121	WR122/123	SSC
	AL	MC	SSC
	SC	AL	AL

Year 2:	Fall	Winter	Spring
	MATH307	MATH315	MATH256
	MATH281	MATH282	SC
	AL	SSC	MC
	SSC	SC	Elective

Year 3:	Fall	Winter	Spring
	MATH341	MATH342	MATH3xx/4xx
	Elective	Elective	Elective
	Elective	Elective	Elective
	UD Elective	UD Elective	UD Elective

Year 3:	Fall	Winter	Spring
	MATH3xx/4xx	MATH3xx/4xx	MATH3xx/4xx
	Elective	Elective	Elective
	UD Elective	Elective	UD Elective
	UD Elective	UD Elective	UD Elective

### Notes:

- SC=Science Group, AL=Arts and Letters, SSC=Social Science, MC=Multicultural
- MATH251–252–253 and MATH307 are SC courses, but as a math major you can only count one towards your group requirements. So you will need three other SC courses, from outside MATH (two in one subject).
- UD=Upper Division. 30 upper-division credits are needed beyond the math major.
